

The 2020 Field Day for the Lenawee Center for Excellence in Adrian has been replaced with a twilight tour Sept. 2, from 4:30 p.m. and run until 7:30. Due to COVID-19 restrictions, the tour will limit attendance to 100 participants.

Pre-registration is required by calling the district office at 517-263-7400, Ext. 3. Due to COVID-19, state safety mandates will be in effect, including social distancing and wearing a mask. Persons should not attend if they are feeling ill or have been in contact with someone who has been sick.

Location: Raymond & Stutzman Farms: 8055 Seneca Hwy., Morenci. Three concurrent sessions, each 30-35 minutes long, will run twice.

Topics will include:

–Cover Crops for Soil Health by Jim Hoorman, Hoorman Soil Health Services.

–Planter clinic: Technology for Precision Planting & Nutrient Management— including John Deere, Josh Beaverson, Precision Ag Services and Case IH companies.

–Industrial Hemp Production in Michigan with speaker Theresa Hisson, a Farm Bureau Crops and Field Agent

At the end of Part 2, three CCA and RUP credits will be awarded and ice cream will be available.
